I Liheslaturan Guåhan finds that there is a critical need to clearly and explicitly define material that is obscene, material that is pornographic for minors and child pornography, as well as to update Guam's laws to protect children from internet predators. The internet is arguably the most important learning tool of the Twenty-first (21st) Century. Unfortunately, the same internet also poses one of the greatest threats to child safety.

It is the intent of *I Liheslatura* to ensure that our laws are strong enough to adequately protect Guam's children from online predators and child pornography and to severely punish the offenders.
